You may send an email for a move-up to maggie@lyndatjarksagility.com with your name, your dogs call name, the name & date of the trial and what class you want the dog to be moved to. If you miss the deadline for move-ups, you may move your dog up the first day of the show for any **subsequent** days even if you are not showing a dog that day. In addition a friend may do the moveup for you if you are not there. However you may not move up the day of the show for that day.

There will be day-to-day move-ups at the show provided the Trial Secretary receives them within 15 minutes after the end of the last class. There will be no move-ups in the morning before the start of the trial.

CONFORMATION AND OBEDIENCE CONFLICTS:

We will do everything we can to accommodate people competing in different venues. If you have a conflict because you are showing in conformation or obedience, you must go to the gate steward and mark a "C" by your name so they know it is a conflict and not an absence and they can talk to the judge and approve that you can walk and run in a different jump height. Note that it is the judge's choice to allow running order changes. Please talk to the gate steward to ask to be considered for accommodations. Usually the judge(s) will grant these changes, however we cannot guarantee it. Once a class is finished and the course is changed it is too late, we cannot hold a ring if you are not there before the class finishes.

MEASURING:

Our Judges Jacqui O'Neill and Jan Skurzynski are both Volunteer Measuring Officials for a permanent height card. They will be available to measure before the Excellent Classes, between Excellent and Open and between Open and Novice.
